How They Will Vote.

Every man who thinks Jeff Davis "ONE OF THE PUREST AND BRAVEST OF PATRIOTS," as did old Jo Lane, will vote the Copperhead ticket. Those who think him a *traitor*, will vote the Union ticket.

Every man who believes as did James D. Fay, that "THE RIGHT TO SECEDE WAS A DIVINE RIGHT," will vote the Copperhead ticket. Those who think secession *treason* will vote the Union ticket.

Every man who favors REPUDIATION OF THE NATIONAL OBLIGATIONS as does James K. Kelly, will vote the Copperhead ticket. Those who think the national credit should be preserved and national promises fulfilled, will vote the Union ticket.

Every man who is in favor of ADMITTING INTO CONGRESS JEFF. DAVIS OR ANY OTHER VILE REBEL as are Fay, Kelly, Lane, O'Meara and Bell, will vote the Rebel Copperhead ticket. Those who think rampant rebels have no business to rule the nation of loyal people, will vote the Union ticket.

Every man who thinks, as Kelly said at Oregon City, that THE GOVERNMENT SHOULD PAY REBELS FOR THEIR EMANCIPATED SLAVES, will vote the Copperhead ticket. Those who think that rebels have no right to demand pay for what they lost by their treason, will vote the Union ticket.

Every BUSHWHACKER AND GUERRILLA FROM PRICE'S MAGANIFICIENT ARMY will vote the Copperhead ticket. Every soldier who served his country against traitors, and thus assisted to preserve the Government, will vote the Union ticket.

Every man who SYMPATHIZED WITH THE REBEL CAUSE, as did the present Democratic leaders and the greater part of their adherents in Oregon, will vote the Copperhead ticket. Those who rejoiced at Union victories and sympathized with the gallant Union armies, will vote the Union ticket.

THE MEN WHO STOOD WITH THE UNION PARTY, FAITHFULLY BY THE UNION, AND SAVED THE GOVERNMENT FROM DESTRUCTION, WILL ALL VOTE THE UNION TICKET.

Union Meeting in Knoxville.

A CHARACTERISTIC SPEECH FROM GOV. BROWNLOW—A DISCLOSURE ABOUT THE PRESIDENT AND THE FREEDMEN'S BUREAU BILL.

Gov. Brownlow has been at his home in Knoxville, for some days recruiting his shattered health. At the invitation of the German Union League of that city he addressed a large assemblage of his fellow citizens on Saturday last.

He prefaced his remarks by asking their indulgence, as he was feeble, but promised them to be brief and to the point. He said that parties were again at work, seeking an ascendancy in the Government. The Democratic party, under a new guise and new leaders, was again asking countenance from the people. The firing on Sumter was a Democratic measure. The Southern States were all Democratic when they went into the rebellion. The revenue stamps you are now taxed with are Democratic, and so are shinplasters.

I announce to you that if Andy Johnson is to lead the way in reconstruction, with the Democratic party at his back, I go the other way. I go with the Congress of the United States, the so-called radicals. I do not fear to [illegible] with them. The name of radical has no terrors for me. I have been known as a "damned blue-light Whig" and damned lunatic; and I think it cheap if they would now let me off by calling me a "damned radical."

There are "two human monsters" now engaging the attention of the American people. Their names are on every man's lips. I refer to Sumner and Stevens. President Johnson is engaged in a bitter warfare against them. To abuse those men is the test of the loyalty Mr. Johnson prescribes. They are both men of ability and unblemished private character. Stevens has sacrificed more for the Union than any five men in East Tennessee, and is a better man than any two men who ever lived in the South. I am not afraid to indorse those men on my own "hook." We must all be radicals or reconstructed Democrats. I prefer to side with the former class.

On the negro suffrage question I have only to say that, for the present, I am willing to be content with the freedom of the slaves, and with the privilege given them to testify in the courts. I differ from President Johnson on this subject. He says he is in favor of allowing negroes to vote who can read, who are worth $250, who have been in the army, and of gradually extending the right of suffrage to all. It was through his influence that we succeeded in passing the negro testimony bill through our Tennessee Legislature. He wrote letters, and sent telegrams, asking members to support the bill. It was through his help the bill became a law. He went further than I ever did. I want them to be qualified first; it will come in time. They voted in Tennessee prior to 1832.

I have some secrets to tell of the Freedmen's Bureau bill. I think the bill was objectionable, and it might have been proper for him to veto it, but President Johnson ought not to have done it. Gens. Howard and Fiske drew up that bill. They carried it to the President and read it to him, section by section. He favored it. Gen. Fiske thought the expense would be too great, but the President said not. He urged it and promised to sign it if Congress should pass it. It went through both Houses. In the meantime he got into a personal quarrel with Sumner and others and when the bill came before him for his signature he vetoed it, after having promised to favor it. This is a secret, but true.

I am in favor of the test oath, and don't want it repealed—and I hope it won't be, thank God! There are crippled rebels in Washington who want to govern this country, and I am opposed to letting them in. They wouldn't help govern the country. President Johnson can't carry a single State north of Mason's line but Kentucky.

They have forty papers in Tennessee, and but seven of them are loyal. The thirty-three are bitter, artful, rebel sheets, many of them edited by Northern Copperheads—the meanest class of men that walk on earth. They are meaner than Judas Iscariot. Arnold and Burr were patriots compared to them.

Our State Legislature is at a lock—21 members bolted. They all indorse President Johnson. They have left 500 lunatics and 300 convicts to starve. I have provided money to feed them. If the next legislature refuses to refund the money, I will turn the crazy and the convicted loose on Middle Tennessee. It will be the best physic they ever had.

The Governor closed by warning all his old friends to stand by the Government. He predicted that the South would attempt another revolution through the ballot box. If they did, he said, the Northern hordes would grind them to powder.

FATAL CRY SILENCED.—We have nowhere seen, says the Washington *Chronicle*, a more complete and satisfactory answer to the favorite allegation that the majorities in the two houses of Congress are excluding eleven sovereign States from representation in the national councils, than is contained in the following capital extract from the speech of Hon. Leonard Myers, of Pennsylvania, delivered in the House on Friday a week ago.

But several months have passed, and, terrible to relate, the representatives from the South are not yet on the floor of Congress. Still more terrible, their claims have been referred to a joint committee to report upon, and perhaps, more terrible still, good men here charge that they are denied representation. I assert, sir, that they have not been denied the right of representation. I have said that Congress is the judge of the condition of these people; but it is for them to show themselves ready to represent it here. If there is delay, it is their own fault.

The unreality of delay may be still better appreciated when I state that except from Tennessee, Arkansas, and [illegible] from Louisiana there are very few of those so-called who could take the iron-clad oath if the doors were thrown open to them.

Is Texas denied representation? Thus far no Governor or member of Congress has been elected in this State, whose Generals Howard and Gregory tell us slavery virtually still exists. Her convention is only now in session.

What of Georgia, which sends as Senators Alexander H. Stephens, the Vice President of the Confederacy, and Herschel V. Johnson, of the rebel Senate? Her provisional Governor telegraphed to the President, "No members of Congress elected can take the oath." Do we deny representation to her, or has she paralyzed herself?

And Mississippi, which, after electing as Governor a Confederate Major General, who was pardoned to enable him to take the office, passed laws in violation of equal liberty under the Constitution, and equal right before the law, that the President instructed General Thomas to disregard them?

What of Virginia, which restored rebels to the right of suffrage, and whose unjust vagrant law founded too on [illegible] movement among the planters to keep down wages [illegible] has [illegible]?

How is it with South Carolina, whose Legislature, after refusal to requests from the President to repudiate the rebel debt, sold [illegible] to a Union without taking an [illegible] having provided that [illegible] persons of color shall be known as servants and those they contract with as masters?

And Alabama, whose executive is [illegible] Patton, the Confederate [illegible] and [illegible] against white and until republican laws [illegible] re-enacting slavery, among their laws [illegible] an imprisonment of three months and a fine of $100 upon any one owning firearms, and a fine of $50 and six months imprisonment on any servant or laborer (white or black) who loiters away his time or is stubborn or refractory?

Can Florida complain? By an ordinance of the Convention, adopted November 4th, 1865, a vagrant in that State shall be punished by a fine not exceeding $500 and imprisonment for a term not exceeding twelve months, or by being sold for a term not exceeding twelve months, at the discretion of the court. The Convention both undid the same work declaring that "slavery has been destroyed in the United States," and no later vagrant act having been reported to us.

The New York *Herald* is now among the bitter assailants of the Civil Rights bill, and the most eager supporter of the veto. On March 17th it used the following language:

> The Civil Rights bill we regard accordingly as a practical, just and beneficial measure, and one which the President will approve. It does not touch the question of negro suffrage, and it does not provide for the encouragement of laziness among the Southern black and white refugees by inviting them to lay hold [illegible] grow fat upon the public treasury. The President is entitled to great credit in bringing Congress from the vagaries of its Reconstruction Committee to this practical bit of legislation."

PERSONAL.—Mr. Gaston, of the *Statesman*, called on us yesterday. He is on his way to the Dalles where he has been invited to speak in behalf of the Union cause. His speeches before the people and writings in the *Statesman* have been very effective against the monster Copperheadism.

Clackamas county is good for a Union majority of 150 to 200. Copperheads are hunting their holes.

Give the old Traitor Jo Lane another Kick.

Do you want Jo. Lane to sit again in the Senate of the United States from whence he was driven into ignominious retirement by the people of Oregon? Do you want this infamous traitor to the country which had honored him, and this vile betrayer of the people who had trusted him, to hold again the highest office which the people of Oregon can bestow upon any one? If you do not, vote for the Union candidates for the Legislature in every county in the State. Of the Democratic nominees for the Legislature, by far the greater part are pledged, if elected, to vote for Jo. Lane for Senator. His friends throughout the State claim that if their party carry the Legislature, his election is sure. We know that an immense majority of the people of Oregon would repudiate old Jo. Lane to-day if he should ask for their suffrages. Voters of Oregon, your suffrages are, in directly asked for him in this canvass. If you vote to elect a Democrat to the Legislature, you vote for Jo. Lane for the United States Senate! Elect a Legislature which will choose a loyal and honorable man for your Senator, and let the reprobate traitor, Jo. Lane, remain undisturbed in his infamy and retirement!

A "Jones" Convicted.

At the Candidate's meeting at Aurora the other day, Samuel Brown, a candidate on the Union ticket for State Senator, charged L. M. SAVAGE, THE COPPERHEAD CANDIDATE, WITH BEING A MEMBER OF THE ASSASSINATING, DEMOCRATIC SECRET LEAGUE OF "OLD GUARDS."

Mr. Savage fiercely denied it and demanded the proof.

Mr. Brown called on a well known gentleman in the crowd to testify what he knew of the matter. He arose, and turning upon Savage, said deliberately:

"YOU TOLD ME IN THE PRESENCE OF MY MOTHER THAT YOU BELONGED TO THE 'OLD GUARD' OR 'JONES FAMILY,' AND THAT THE DEMOCRATS WERE ORGANIZED ALL OVER THIS STATE FOR THE PURPOSE OF RESISTING THE DRAFT AND TO RESIST MILITARY ARRESTS—THAT YOU WERE READY FOR THEM [Union men] IF THEY ATTEMPTED TO MAKE ANY MORE ARRESTS."

Mr. Brown then asked Savage if he had any rebutting testimony. Mr. Savage had none to offer. He was convicted and confounded—so much so that he could not face the audience to make a speech. He slunk out of it like a whipped spaniel and retired, probably TO COUNSEL WITH THE "JONES FAMILY," WHICH, THERE IS GOOD REASON TO BELIEVE, IS NOW IN FULL ORGANIZATION IN VARIOUS PARTS OF THE STATE.

Look to the County Tickets.

In the great struggle which has been going on over the State and the representative tickets, the county tickets have been comparatively lost sight of. It is of the first importance to the success and the permanence of the Union party—the party which saved the Union—that its organization and its *work* shall extend down to the very bottom of the local tickets. While we fight over the general result we must not forget that such result is made up of details. No General wins a battle, if while the whole army is engaged with the enemy, the several subordinate divisions are also fighting among themselves. The main plan of the battle may have errors in it, but the fight may be lost, while the soldiers are individually striving against it in order to force a different *mode* of fighting. In such a case, when *defeat and rout* have followed, can the soldiers justify their quasi mutiny to themselves or their country?

In politics, as in war, to ensure victory there must be concord and unanimity of action—*all* must work in the same direction. *Division is defeat, and defeat of superior numbers is humiliation.* Every defeat brings more or less of demoralization. The bolt you make now, because of dissatisfaction, will be used to justify the bolt of others next year when *you* may be desirous of securing the election of *your* friends. Thus, harmony, organization and the cause itself which you hold dear, may be utterly lost. You, Union voter, who wouldn't touch a Copperhead with a forty foot pole, how will you feel, if it turns out that *your* vote withheld from the Union candidate, permitted a rampant, vile traitor to be elected by *one* majority? Think of that when you go to the polls. You know, and you say, that the Democratic party was false to the Union during the war. Are they any less false now? And can you stand coolly by and see one of them elected to any office, when *your* vote can prevent it? No, unless your loyal blood is running thick and cold. The Democracy did sympathize with and aid the rebellion and they now loudly proclaim that they glory in what *you know was their shame. Do you want traitors in office over your heads? If not, go to the polls and* VOTE FOR EVERY MAN ON THE UNION TICKETS.

DRIVE THE NAILS.—Every ballot in the Union majority, cast next Monday, will be a NAIL DRIVEN IN THE COFFIN OF DEMOCRATIC TREASON. The "Old Guards," the "Jones Family" and the Democratic party will all be buried in the same family coffin and will lie rotting and stinking in each other's infamy.

Multnomah county will drive 300 nails. Clackamas will drive from 150 to 200 nails. Washington will drive 150. Yamhill will drive 75 to 100. Polk will drive 50. Almost every county in the State will drive nails in the political coffin of Democracy. *Old Marion will fasten down the lid with 500 loyal majority*—every vote a nail. THE STATE WILL DRIVE FROM 1,200 TO 1,500 nails in the black coffin which holds the corrupt old body.

Union voters, bring on your nails and send every one of them home, on Monday. At sundown the loathsome carcass will be ready for burial.

THE UNION MEETING AT OREGON CITY.—Our correspondent at Oregon City, writes under date May 30th: "We have just had two of the best speeches of the campaign, from Gov Gibbs and Col. Hawkins. They gave the Copperheads 'infernal regions,' you bet. The Oregon City band came out and played some of their old patriotic pieces and we had an *enthusiastic time* generally. The meeting was a *big thing* and did the Union cause good."

Hoist with his own Potard

"He is only fulfilling the mission of one of the Radical adventurers who have been imported to this State to teach the Oregonians their duty and how to vote on Monday next."

The *Herald* speaks in this manner of Alanson Smith, Esq., who came from California several months ago and who has permanently established himself in this city to follow the profession of the law. Judge Smith has lately made some Union speeches, and this is what excites the wrath of the *Herald*. And pray who is the person who uses the language above quoted? Is it the "political vagrant" Beriah Brown, who came here only *two weeks* ago, and who has employed his time since his arrival in "teaching Oregonians their duty and how to vote next Monday?" Or is it M. H. Abbott, another of the "political vagrant" editors of the *Herald* who left Illinois for her good hardly more than half a year ago, and who, though he has been in Oregon no longer than Judge Smith, has labored for two months to "teach Oregonians their duty and how to vote next Monday?" Or is it another "political vagrant" on the editorial staff of the *Herald*, who is known to have been in the rebel guerrilla service for a much longer time than he has lived in Oregon, and who has been constantly trying, during his brief month's sojourn here, to "teach Oregonians their duty and how to vote next Monday?" Or was it suggested or dictated by John B. Weller, the California secessionist, who came here some ten days ago for the express purpose of "teaching Oregonians their duty and how to vote next Monday?" Or did it originate with Dugan of Washington Territory, who was imported a few days since "to teach Oregonians their duty and how to vote next Monday?" A paper which, like the *Herald*, is edited by three characterless secession adventurers, none of whom have been in Oregon half a dozen moons, and none of whom will be likely to remain half a dozen moons longer, might with great propriety refrain from saying much about "political vagrants" and "Radical adventurers." Were the *Herald* somewhat more modest, it would not so often afford spectators the sport of seeing "the engineer hoist with his own petard."

Negro Equality.

CORVALLIS, May 28, 1866

EDITOR OREGONIAN:—Men living here say that when Fay lived here he lived and eat with negro Sam, the barber, and men have gone in to get shaved and Sam would get up and shave them and leave Fay at the table. X. X.

The writer of the above is a responsible citizen of Corvallis. The partner and associate of the negro Sam is the man who is leading the Democratic howl about "Negro Equality."

A "DEMOCRATIC TOAST."—The following is the precise language of a "toast" offered by a Democrat at a drinking bar in this city last night:

HERE'S TO DEMOCRACY, NOW, HENCEFORTH AND FOREVER, AND LET OUR COUNTRY SINK OR SWIM

One of the gentlemen about to drink, indignantly set down his tumbler and refused to drink to such a shameless sentiment. *The other two drank the toast.*

That, voters, is a DEMOCRAT'S TOAST.

M. F. MULKEY, Esq.—We have omitted hitherto to notice the excellent speech of M. F. Mulkey, Esq., Union candidate for Prosecuting Attorney in this District, delivered two or three evenings since before the Union Club in this city. The speech evinced ability, and showed that Mr. Mulkey, besides being governed by strictly right principles, possesses talents which will qualify him for the position for which he is nominated. The portion of his speech which treated of the question of Civil Rights is particularly well spoken of by all who heard it.

EVERY DEMOCRAT ELECTED TO THE LEGISLATURE IS A SURE VOTE FOR JO. LANE FOR UNITED STATES SENATOR. Old Jo. Lane is the man who stood up in the United States Senate and defended the treason of the seceding States, and declared that JEFF. DAVIS was *"one of the purest and bravest of patriots."* Remember, voters, that every ballot for a Democrat is a vote to ratify Jo. Lane's treasonable utterances in the Senate.

Ben. Hayden will speak again at this place, it is said, before the election. We suppose the friends of Ben. will have an effigy of Jo. Lane ready to burn before the door of the Democratic Club Room on the evening of the speech. Ben. would no doubt burn it with the same delight with which he burned a similar one at Dallas about five years ago.

The *Herald* said a few days ago that the national debt amounted to nearly five thousand million of dollars. We prefer to rely upon Secretary McCulloch's statement, which puts the exact figures at $2,827,793 82. This is the statement for the first of April, 1866.

When you vote, remember that right here in Portland, Democrats, in dark-lantern holes, conspired to burn and plunder Ft. Vancouver, one of the Government's posts and arsenals. And that too at a time when that Government was involved in a gigantic war for self preservation.

If you think of voting for Lafayette Lane, remember that in his speeches through the State, he has declared HIS WILLINGNESS TO ADMIT INTO CONGRESS, JEFF. DAVIS OR ANY OTHER REBEL who can show a regular certificate of election.

A VOTE FOR JAMES O'MEARA IS A VOTE FOR A TRAITOR "OLD GUARD" AND IN FAVOR OF REPUDIATION. *James O'Meara is the man who could not take the oath of allegiance without committing perjury.*

WHOEVER VOTES FOR JAMES D. FAY VOTES FOR A SECESSIONIST WHO BELIEVES IN THE "DIVINE RIGHT" OF ANY STATE TO BREAK UP THE UNION.

Every vote for James K. Kelly is a vote in favor of REPUDIATION, AND FOR TAXING THE LOYAL PEOPLE TO PAY REBELS FOR THEIR EMANCIPATED NEGROES.

State Items.

The Dalles people have passed an ordinance requiring "hotel runners" to take a license—costing $10 per three months—and then behave themselves so as not to be nuisances. Good move.

A letter from Umatilla says "The river is higher than it ever has been since Umatilla started. The Orleans Hotel on the levee is surrounded by water. We are having more rain than usual this season. Feed is excellent in the hills, crops good for the season."

The Umatilla *Index* is dead. It has only preceded its party in this State a few days. A correspondent at Umatilla writes an obituary notice as follows: "*Died*—May 18th, 1866, for lack of the necessaries of life, the *Index* at Umatilla. It was born deformed, lived in abject misery and died after a brief and useless life. It died leaving but few friends to mourn its untimely end. One of its last sayings was (just before breathing its last) that it 'would live (notwithstanding a few milk and water Democrats and host of black hearted Republicans) until after the election in June.'" Such is life.

"PROSCRIPTION FOR OPINION'S SAKE."—The *Herald* of yesterday, published the names of some parties in Portland who were supposed to have discharged men in their employ because they were Democrats. We had supposed that the *Herald* would have kept silent on this matter. There is now in this office a compositor, who, with one other printer, was discharged from the *Herald* because of Union sentiments and could not be made the tool of the cliques who control the *Herald*. The wrongs thus would have been a check on that establishment, and that they would have considered themselves as getting off well if it had been kept silent. If there is any more proscription for opinion's sake in Portland, the *Herald* will please note it.—*Mountaineer, May 2d*

EVERY citizen of this county who desires to see our local interests advanced must vote the whole Union ticket. The candidates are all honorable men, and are well known to every citizen. True there are some good men and some we personally respect on the other ticket, yet they are in bad company, and will have to be classed with the company they keep. The proof that many of the candidates on the Democratic State ticket are disloyal, and have taken treasonable oaths, is overwhelming. The standard bearers of the Democracy say they are for "principles" and "not for men." They are for the principles of their oath-bound, treasonable associations. The Union party are for men and principles. It is for the voter to choose between the black sheep and the white.—*Mountaineer.*

OUR SAN FRANCISCO DISPATCH

SAN FRANCISCO, May 31.—About 8½ o'clock last evening the Steamship *Orizaba* lying at Folsom street wharf was discovered to be on fire and an alarm was immediately sounded. The flames soon burst up through the hatchways enveloping that portion of the ship in a sheet of flame. The Department was promptly on hand and through their extraordinary exertions the flames were driven back to the hold and in about an hour were entirely extinguished. Contrary to the expectations of nearly every one, the ship sustained comparatively slight injuries. The damage does not exceed $1,500 to $2,000. The fire caught in the engine room, and its origin is not known. The ship caught fire Tuesday afternoon but was supposed to have been entirely extinguished, until it broke out afresh last night. Anna McMahon who was shot by Phil Smith yesterday, is in a comfortable condition and unless inflammation sets in it is likely to recover. The wound in her eye has destroyed the sight but no danger is apprehended from the one in her neck. Gabriel M. Geraldino, the absquatulating New York merchant was taken back on yesterday's steamer by deputy sheriff McCaffrey. His application for release on habeas corpus having been denied.

The court is engaged in the investigation of charges and counter charges growing out of the squatter troubles in the western addition in which Duane, Ross and others were engaged, and which led to the shooting of Ross by Duane. The charge of murder has been set for next Thursday, at half past one o'clock P. M. The Duaneites are in court to-day, listening to the testimony and making suggestions in the matter to their counsel.

P. S. Dugan, boot and shoemaker filed his petition in Insolvency to-day. Liabilities about $3,000.

Legal Tenders—Mining Stocks.

We have no gold quotations. Legal tenders are a trifle firmer, the brokers buying at 72¾ and selling at 73½c. At the board there were sales of $11,000, seller 30 days, at 72¾.

Mining stocks are flat and the market seems to have no bottom. Yellow Jacket fell $40, Belcher $12 50, Bullion $20, Chollar Potosi $18, Overman $8, Ophir $5, and Imperial $4, from the morning board yesterday.

The Markets.

Bacon—Small sales smoked California at 15½c ⅌ lb. Candles—400 boxes Macy, ex *Harry Bluff*, brought 22½c. Mackerel—400 kits new Boston, ex *E C Beal*, sold at $2 25. Sugar—Further sales of 30 half barrels Hawaiian part at $9@$10 50. Flour—Superfine in sks $5@$5 25; qr sks, $5 25@$5 50; extra in sks, $5 25@$5 50, qr sks, $5 50@$6. Wheat market quiet and without change. Sales include 13,000 sacks choice Bay for milling at $1 75, which is an extreme price; also for export 8000 sacks do at $1 70 ⅌ 100 lbs. Dedication of the [illegible] Hall.—The grand opening party and concert given at [illegible] evening [illegible] the [illegible] Hall by the Washington Guard, Capt Mills, and the 14th Infantry Band, under the leadership of Prof Adkins was enjoyed until an early hour yesterday morning by an attendance sufficient to fill the hall. The parts of music performed at the promenade were very satisfactory and were delivered with great credit, but we must say the part assigned to the dancing were usually lacking in the usual fine effects produced by the Band of the 14th. The noise was intense and repulsive and detracted much from the enjoyment of the evening. We think Prof Adkins is aware of this and the experience will be of future benefit. Aside from the dissatisfaction produced on this account, every thing passed off pleasantly and the occasion was as enjoyable to all participating. The Hall was proven to be in all particulars equal for the purpose to which it was dedicated, and may be considered as supplying a much needed place in the vacancies of our city within [illegible] the wants of the public. Messrs Lappeus & Co who have done a good work for Portland, and their enterprise should be liberally patronized. The building is of wood, which is the only objection that can be urged to its occupying the position it now does in the city nevertheless it is of that class of architecture which makes it partake largely of the character of permanency. It is yet in an unfinished state, we may say, as a dining hall is to be erected on the west end, 100 feet deep on Stark street. The present structure covers 105 deep by 50 front on First street, the lower floor of which is divided into store rooms. The Hall is 50 by 80 feet in size, 22 feet ceiling with a circular stage 10 by 24 feet and a ladies toilet and gentlemen's toilet rooms each 25 feet square. At a party like the one given by the Washington Guard 250 persons can be conveniently accommodated on the floor at one dance of a quadrille. At a concert or lecture 1,000 persons can comfortably be seated. The entire building is supplied with gas and water. On the occasion of the ball a la Mr. Prindle of the Delmonico furnished supper which was served on the first floor as quickly and readily to 250 persons as could be done on ordinary occasions at his own dining hall.

Gov. Gibbs' Speech.—The Theater was crowded last night to hear Gov. Gibbs. He made a most telling speech of over two hours, showing up the Democratic record for six years in its real black, infamous and traitorous deformity. Several copperheads present found the picture so real of themselves and retreated scotched and smarting. The Governor completely riddled with facts and figures, every one of the slanderous charges made by the Democracy against the Union party and the present State officers. He arraigned the Democracy for treason and convicted them out of their own mouths. He confirmed the charges made against the Democracy of Oregon that they were organized into the treasonable order of "Old [illegible]" or "Joneses," stating that *at the very time and on the very nights of their meetings in Portland he was regularly informed of their plottings and traitorous conspiracies*, and that as the Executive of the State he adopted the necessary measures to foil them. The meeting was an enthusiastic one and a complete success.

Sent Home to Die.—The courts of California are in the practice of releasing criminals, lewd women and rough gamblers, on condition that they embark in the first ship for Oregon. Some of them meet with their just deserts in Portland, others wend their way to Idaho, Montana and elsewhere in the "Northern mines," and are soon gobbled up by the advocates of justice and some return here to die. The telegraph yesterday announced the killing of Anna McMahon by Phil Smith of San Francisco. She is the woman about whom there was so much trouble in this city recently, and we see by an examination of the police records, that when here *Frank Smith* was the man with whom most of her difficulties occurred. On the 20th of April he knocked her down in the streets of the city, and on the 4th of April he was under arrest for stealing her watch, but whether *Phil Smith* and *Frank Smith* were identical persons, we have no definite means of ascertaining.

Rusticating.—Two printers, one a *King* at fishing, and the other an amateur in the art of capturing speckled trout, yesterday sought the umbrageous shades of a canyon, west of town, for the purpose of fishing. All went merry until an extra quirk in the line of the *King* brought him to a level with the creek in which he was angling, and he took a sudden dive for the bottom. His companion at once realizing the situation dropped hook and line, and *bobbed* to the relief of the unfortunate typo, who was partially watching, and *biden* his time for relief. When again on terra firma, the rescued party insisted, with commendable persistence, that he was diving for a salmon, and had caught a sucker; but his friend as roundly asserts to the contrary, and is confident of the opinion that had he not acted promptly the King would not have returned to the city in a condition to report his day [illegible] at rusticating.

Our Sanctum Invaded.—While sitting quietly in our sanctum last evening, we were startled by the noise of a party ascending the stairway and the rattling of arms, as [illegible] it to be, in the hall. A moment more and [illegible] was flung open, and in rushed the ruthless invaders, bearing a quantity of cake and champagne, which we were invited to wade into and destroy instanter. We complied, and were then informed that the demonstration was in honor of the marriage of our friend L. P. W. Quimby, of the Western, and Miss Amelia M. West, which was performed at the residence of the bride's father, by Rev. Mr. Atkinson, a short time previous. We return our thanks to the happy couple for their bountiful remembrance to the corps editorial, and trust that their days may be long in the land, and their honey-moon last to the end of their days.

Col. Hawkins' Speech.—Long before the hour appointed for Col. Hawkins to begin his speech yesterday, the Theater was densely crowded with people who were eager to hear him. At the appointed hour Mr Dryer was chosen Chairman of the meeting. Several old soldiers of the war came forward by invitation, and took their seats upon the stage. Col. Hawkins was then introduced to the audience. In a speech of two hours length he unmasked Copperheadism, and showed up the rebel Democracy in their true character. The greatest enthusiasm prevailed in the audience during the delivery of the speech. Before the close of his speech the Colonel exhibited a battle flag cut and torn with bullets—an incident that caused the most tumultuous cheering. The dense crowd of people that thronged the building remained till the speech was finished. It was just such a speech as the Copperheads do not like to hear.

The California Steamers.—The steamer *Montana*, of the Anchor Line, arrived at San Francisco on last Monday evening, and will return, leaving on Saturday next. The steamer *Sierra Nevada*, of the Oregon, California and Mexico Line, will also leave on Saturday next for Portland. The *Orizaba*, of the O. S. N. Company's Line, was so badly damaged by the fire, reported in our dispatches, that she would not be able to sail on her regular trip.

An Important Decree.—Emperor Norton I—a man of as great notoriety as John B Weller or the dorg "Bummer"—has issued the following:

"To *New York Herald* For Publication: Norton I Decree. That the Banks of America sustain the Bank of England during the emergency—so that the interest may be reduced as soon as possible." His Royal signature is appended to the dispatch.

Last two Nights of the Campaign—Public Speaking.—The Union Club will be addressed at the Club Room this evening by Mr. Clark, a returned veteran, who will relate some of his experience during the war. On Saturday it is proposed to close the campaign with a grand rally. Gov. Gibbs, Col Hawkins, J. Gaston, of Marion county, and others are expected to make short, stirring speeches, and wind up the campaign in good shape.

The Celilo Excursion.—The *Mountaineer* says the late excursion to Celilo of the Grand Lodge I. O. O. F., while in session at the Dalles, was given by Columbia Lodge of that city, and not by invitation of the O. S. N. Company. This may have been the medium through which the error originated, but whether so or not we cheerfully make the correction in justice to the members of Columbia Lodge.

The Drowned Man.—On the 22d of April last, James Clark, a laborer on one of Mr. Gerow's wood boats, was lost overboard, and, very probably, his were the remains found near Sauvie's Island a few days since. Clark is described in the books of the Marshal's office, which description corresponds in nearly all respects with that of the drowned man.

That Old Battle-Flag.—Col Hawkins, near the close of the Union meeting, last night, exhibited that worn and bullet-tattered battle flag which *the Democrats at the [illegible] and hissed at*. Its production was greeted by a scene of the wildest enthusiasm. Col. Hawkins will be here again Saturday night.

The Changed.—The concert by the "Turner Gesang Society" will take place on Tuesday evening next at Oro Fino Hall, instead of Thursday evening in consequence of the ordered march of the 14th Infantry Band. The programme of the concert will be given in due time.

Convicted Again.—Chas Cameron was yesterday committed to the county jail for twenty five days, upon conviction, before Justice Hoffman *of* an assault upon Mrs Raha, at the California Restaurant, and using obscene and indecent language. This is his third offence.

Death of Capt. Wm. Dall.—A private telegram from New York dated on Wednesday last announces the death of Capt. William Dall, formerly commander of the steamship Columbus and the steamship *Northerner*, in the California and Oregon trade.

In Port.—The schooner *Alfred Crosby* Capt. Perkins from Victoria with a cargo of lime, etc., is at her berth in this city, and will have quick dispatch on the return voyage.

The River.—Water continued rising yesterday having gained seven inches over the day previous. At noon yesterday the rise was within four feet and six inches of the high water of 1862.

Insane.—The insane man brought to the Asylum on Wednesday last was from Linn county. His name is Geo. Sipe. Another was brought down yesterday to the Asylum from the upper Columbia.

Suspended.—A private letter dated at Walla Walla on the 20th, states that a man named Leander Johnson, who has relations in Washington county, was hung recently by the Vigilance Committee in Montana.

Ordered Away.—The band of the 14th Infantry are under marching orders for Arizona.

BLESSED RAIN.—The vernal showers fall copiously this season. So do those beautiful PICTURES from ELLSWORTH & CARDWELL'S GALLERY 80 First Street. CARD PHOTOGRAPHS and all other styles are taken in the most superior manner at this Establishment.

Dr. Hostetter's Stomach Bitters.—These Bitters are universally acknowledged to be a sure preventive and cure for Fever and Ague, Flatulence, Heaviness of the Stomach, or any other like affection. Their effect upon the system is most miraculous; they give a healthy tone to the system, relieve all morbid matter, and in fact thoroughly cleanse the system of all impurities. In no case has it been known to fail, but on the contrary, new virtues have been found in its use. To those afflicted with any of the above ills of the body, the "Bitters" are offered as a speedy and certain cure. Try them and form your own opinion.—Sold by Druggists and dealers everywhere. my20 HODGE, CALEF, & Co., 97, Front St.

The reason why so many die with Consumption is because they neglect to use the proper remedy in season. When the system is first attacked with a cough, oppression of the chest, or seated pains in the breast, ALLEN'S LUNG BALSAM will cause the phlegm to raise, heals the irritated parts and restores the system to health. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated

PLANTATION BITTERS,

Which are now recommended by the highest medical authorities and warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate.
They create a healthy appetite.
They are an antidote to change of water and diet.
They overcome effects of dissipation and late hours.
They strengthen the system and enliven the mind.
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Diarrhea and Cholera Morbus.
They cure Liver Complaint and Nervous Headache.

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, sassafras, roots and herbs, all preserved in perfectly pure St. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of impostors. Examine every bottle. See that it has our private U. S. Stamp unmutilated over the cork with plantation scene, and our signature on a fine steel plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or in bulk, is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. We already have our eye on several parties re-filling our bottles, &c., who will succeed in getting themselves into close quarters. The demand for Drake's Plantation Bitters from ladies, clergymen, merchants, &c., is incredible. The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores.

STEAM POWER, NOS. 625 AND 627 FRONT ST

HAS CONSTANTLY ON HAND GROUND AND ROASTED COFFEE, GREEN COFFEE of the best qualities, CREAM OF TARTAR and SPICES of all sorts.

The undersigned who has always enjoyed public confidence for the excellent quality of his Coffee, ought to do nothing to justify the good name acquired by his productions, the sale of which daily increases. The acknowledged superiority of his merchandise which commands here, and in the markets of the interior, a relatively higher price, excites the cupidity of some manufacturers, and every day he sees increasing the number of those who, by counterfeit or imitation of his mark, seek to deceive the public, palming upon them their inferior productions for the genuine G. VENARD CHARTRES COFFEE. This fraud can deceive nobody after a trial, but only adds to the favorable opinion of the consumers thereby flattering, through unwilling testimony of the counterfeiters. Nevertheless buyers should be forewarned, and placed on their guard against this practice.

"I Loved the Flag."

BY W. S. HOLDEN, OF NORTH CAROLINA

The flag was threatened, and they came
  From many a hill and valley far,
To bear it on through smoke and flame
  Amid the direful din of war.
Long had they borne with brothers' spite,
  Long had they pleaded at brethren's pride,
That would not walk the path of right,
  But vainly, madly turned aside!
But when, with foul and fatal blow
  The flag was struck from Sumter's height,
And traitors laid its glories low,
  Veiling its radiant stars of light,
The nation rose with one accord—
  Its bleeding honor bade it rise;
Then rang the bugle of the sword
  Till, glorious in her children's eyes,
Up went dear freedom's flag once more—
  Its stars their deathless light flashed out,
Its eagles learned again to soar
  Triumphant o'er the battle's rout.

And one, of many, wounded sore,
  Was rescued by some tender hand,
And borne within a friendly door
  While still without the patriot band,
His comrades fell to rise no more:
  A gentle, blue-eyed, beardless boy,
Scarce touching manhood's matin time—
  A father's pride—a mother's joy—
Why should he perish ere his prime,
  An alien in a hostile clime?
Why, leaving all he loved afar,
  Sprang this heroic youth to arms
When the dread tocsin tongue of war
  Pealed through the land its first alarms?
Thus queried one who bore him in
  While wailed his life-blood fast away;
He answered "Let me see again
  That banner in the free winds play."

He saw, with kindling eye, once more
  The flag still soaring to the sky,
And heard, above the deafening roar,
  His comrades' rallying, conquering cry.
"I LOVED THE FLAG! This was the cause
  That nerved my arm and fired my soul,
I die obedient to the laws,
  Nor ask a place in history's scroll
Titles for those whose battle-blades
  Cleave honors from the foeman's ranks,
But give me, as I seek the shades,
  Only my generous country's thanks."

Sleep, soldier boy! The clarion tongue
  Of deathless fame shall speak of thee,
And ages hence, thy name among
  The brightest of the earth shall be.
Hard by thy side thy foemen sleep;
  Dust cleaves to dust in close embrace,
Over graves like these let freedom weep,
  For never did a nobler race
In fratricidal war engage
  Than these, thy children, WASHINGTON!
And history has no sadder page
  Than that which tells, from age to age,
  Their battles—lost or won.

THE SOUTH.

THE MASK THROWN OFF.

No More Peace as a Republic.

We print below a portion of the Texas correspondence of the New York *News*. The writer unwittingly takes the mask off the South and reveals to us the sentiments of the people as they have been before partially indicated when the opportunity was offered. As he says, the letter gives the general views of the people, and as such we commend them to the serious attention of our readers.

And now that the "great rebellion" has been put down, and yet there is no peace and no union, why does not the President turn upon the enemies of the country "at the other end" with the strong arm of his heavy battalions and conquer them? The South was accused of disunion sentiments and intentions, yet we are waiting for admission. The fact is, when we lost our "niggers" the people of the United States lost what was more than money or precious jewels. The war was simply a contest at arms for the right of self-government, and the conclusion forever settled that question. The President cannot save the country by his Democratic ideas, or appeals to the wisdom and virtue of the people. That appeal has already been made, and the appeal has decided against Republicanism. THE ONLY THING NOW LEFT FOR THE PRESIDENT TO DO TO SAVE THE COUNTRY, IS TO IMPRISON THE CONGRESS AND ALL WHO OPPOSE HIS POLICY, AWE INTO TRANQUILITY THE RESTLESS AND REVOLUTIONARY SPIRITS WHICH INFEST THE COUNTRY AND DISTURB THE HARMONY. *Do you not think he begins to realize that we of the South were right in fighting the disunionists whom, he has met "at the other end" of the line, and wishes from his heart that we could have killed every one them?* Don't you think now, if it was to do over, he would help us a little? TELL HIM, IF HE WILL COMMENCE THE FIGHT, THAT WE WILL HELP HIM, and that even if we whip them, we will not ask for our "niggers" back again, but we would very much like to have them sent to Africa, or Massachusetts. YOU ALL KNOW THERE CAN BE NO MORE PEACE IN THIS COUNTRY AS A REPUBLIC, AND IT IS BEST FOR THE GOOD OF EVERY CITIZEN OF THE COUNTRY THAT THE FACT SHOULD BE ACKNOWLEDGED, AND THAT THE PRESIDENT SHOULD ACT ACCORDINGLY. I candidly believe that in less than two years the office of President will cease by the act of the virtuous and intelligent people of the North United States, and the Executive Department be administered by a committee which will be the creature of Congress. I am also satisfied that the President will not recede from his ideas; he is too fanatically democratic; he will not dare to be a hero and save his country. I fear he is even now too late; there is insubordination in the army because he hesitates, and his officers have learned from him to look to the people only as the head of power, and that their approbation is mightier than the commands of the First Magistrate of the country. How puny even a potentate becomes when he once admits his weakness; his scullion will lose respect for him. The emigration fever is on the increase. Every one is delighted with the President's veto speech, but few are sanguine of his triumph. *The wheels of revolution have been set in motion, and none can tell where it will stop.* It is impossible, with the present temper of the Northern people, for us to return to anything like the old order of things, *and there must be more war*, and in anticipation of that event, the desire to leave the country has its birth. The people of the South know full well that they can never be favorites of the Government; and no matter how ardently they espouse and fight for it, they would ever be regarded with distrust and suspicion. Of course, hatred would exist between them and the enemies of the Government, and their own old enemies; and, in their midst, as an enemy upon whom either party could seize and instigate to a general and complete butchery. *The war of races is inevitable, and it will commence when there is any great disturbance in the country.* This letter gives you the general views of the people; or, at least, the questions of discussion, and the views expressed with the conclusion arrived at.

How about Tennessee?

The loyal members of Congress elect for Tennessee, have done the cause of the Union party great service in Connecticut and other States where elections have lately been held. They show clearly that the loyal South is bound up with the success of the Union party of the North. They do not inveigh against Congress because themselves, though undoubtedly loyal, are for the present denied admission; but they heartily support the loyal Senators and Representatives of the North in the view they take of Reconstruction. The terrible "Radicals" are not a terror to these loyal Tennesseeans. Every Union man of the South feels that his only friends are the "Radicals" of the North. Col. Stokes who raised and commanded a regiment of loyal Tennesseans during the war, and who is now awaiting admission to a seat in Congress, lately made a speech in Connecticut in favor of Gen. Hawley, the Union Congress and the Union party, saying:

"But it is said a radical Congress will not admit Union men of the South. I am one of these men, and an applicant for a seat in Congress. I believe when the proper time comes, Congress will do its duty in regard to Tennessee and any other State that takes the same position. Why is it not done now? We have had a war for four or five years. You cannot expect Congress to heal all these differences in a few days. It was their duty to examine the condition of the Governments of the States, to examine their constitutions and laws, and when their loyal government is properly established to recognize it, and then one point is settled. After that comes the question of the qualification of members. Congress had a right to prescribe a test oath, and I say here that I would sit in my seat until I froze to death before I would ever vote to repeal that oath until the Southern people and their papers show a different tone toward the Union men of the South. Now the President has said himself that Congress must declare the State government properly established before it can become valid. Why, then, are these States not admitted? Because they have not complied with the President's own requirements? But Tennessee has, why is she not admitted? I will tell you. Congress asked for evidence as to the States. It asked for the proclamations, constitutions, documents, laws. The President never sent them to Congress until March. But meanwhile it had been gathering proof from other quarters, and at length it was just ready to admit Tennessee. Then one branch of the Legislature was disorganized, and the rebel element, not being willing to submit to the rule of the majority, sought to break up and destroy the government. They left the House without a quorum, and it is still without a quorum. And I say that while the government was in that condition there is not a man of you who would think that State should be recognized. *We therefore do not complain of the delay. We know that admission now would destroy the Union element of those States. Congress is doing right in holding them back.* When the rebel armies first surrendered, there was everywhere a disposition toward loyalty. But I stand here to-night to say that there is now a feeling as bitter toward the Union men of the South as there ever was in 1860 or 1861. And the facts have proved that Congress, in its cool and deliberate treatment of the matter, deserves the thanks of all Union men in giving opportunity for those rebels to show their hands. *Time will show that Congress was right.* But all these things will be settled wisely and safely, and when loyal men get control of these governments there will then be no difficulty, and all these questions will be satisfactorily settled. In Tennessee we shall elect new members to make a quorum on Saturday next. Then the franchise bill, securing control to loyal men will pass, and then I have no doubt that Congress will act promptly and rightly."

"In this crisis we must act together and vote together. Let no little differences split and divide the Union party. I say to you that the Union men of Tennessee are looking to you to support and sustain and defend the Union majority in Congress, to support the Union party of the country. It is our only hope. We appeal to you and to all honest men without regard to party, not to inflict upon us more of hardship and suffering, not to put us again at the mercy of rebels. We have suffered, God knows, enough; our houses have been plundered, our old men shot down in cold blood, and our people have suffered as no other people ever have suffered. If the English ticket is elected it will go up from all the rebels in the Southern States. And if General Hawley is elected, every Union man and every Union woman and child will shout for joy and give thanks for their preservation to the Union party of Connecticut. Our people feel on this question. And therefore we have come to throw in our little mite. We feel more interested than ever the people of Connecticut. You buoy up rebels by voting for the Copperhead ticket, and you weaken Union men. A victory of the Copperheads will destroy the Union men of the South. We come here to plead with you not to forsake us in our hour of danger and trouble. Don't let that come upon us. Our all is at stake in this matter."

HOW NATURAL, AND YET HOW AGREEABLE it is to enjoy the comforts of a good bed to rest his or her weary limbs upon, and I can say from experience that there is no style of bed that compares with the HOULTON SPRING BED BOTTOM, BROMLEY'S PATENT, for Health and Comfort, Durability and Cheapness; can be attached to any bedstead and does not get out of order. The model of this bed bottom can be seen at HENDEE'S PHOTOGRAPH GALLERY, and orders taken for all that may wish to purchase. Also, the full size bed in working order can be seen and had on short notice at Mr. Wilcox's Furniture Store, on Front street, near the bridge. Price—Double-Bed, $10; Single-Bed, $7.

The Remedy for Curing

CONSUMPTION, COUGHS, COLDS,
Asthma, Croup,

Diseases of the Throat, Bronchitis, Pains and Oppression of the Chest and Lungs, Difficult Breathing and all the Diseases of the Pulmonary Organs.

ITS ACTION IS EXPECTORANT, ALTERATIVE, SUDORIFIC, SEDATIVE, DIAPHORETIC AND DIURETIC, which renders it one of the most valuable remedies known for curing diseases of the lungs. It excites expectoration, and causes the lungs to throw off the phlegm or mucus; CHANGES THE SECRETIONS AND PURIFIES THE BLOOD; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect, that it is WARRANTED TO BREAK UP THE MOST DISTRESSING COUGH IN A FEW HOURS' TIME, if not of too long standing. IT IS WARRANTED to give entire satisfaction even in the MOST CONFIRMED CASES OF CONSUMPTION! IT IS WARRANTED NOT to produce costiveness (which is the case with most remedies) or affect the head, as it contains no Opium in any form. IT IS WARRANTED TO BE PERFECTLY HARMLESS to the most delicate child, although it is an active and powerful remedy for restoring the system. THERE IS NO REAL NECESSITY FOR SO MANY DEATHS BY CONSUMPTION, when ALLEN'S LUNG BALSAM will prevent it if only taken in time.

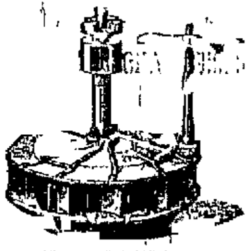
Best Overshot Wheel in Existence.



American Double Turbine Water Wheel

IS NOW MANUFACTURED BY THE OREGON IRON Works, in the city of Portland, and orders for the same can be filled immediately. We have a small supply of the different sizes from 10 inches to 48 inches in diameter. That we may know the proper sized wheel you require, measure your water in the following way: Take the width of the stream, the average depth, and the distance it flows in a minute.

All the wheels now in use give universal satisfaction. Both the construction of the wheel and its performance, commend it to the better judgment of all minds capable of appreciating the highest development of mechanical construction. Therefore it has conquered the most violent opposition.

This wheel is especially adapted to mining purposes. It is light, and can be easily packed into the mountains. Wheels weighing from 100 to 300 pounds will yield from 10 to 40 horse power, under a head of 25 or 30 feet. They are the cheapest wheel to set up known, as they are so arranged as to produce the greatest power possible from the water used.

The prices of these wheels have now been reduced to the ability of all. Come and see them or send for a circular to   LEFFEL & MYERS,

DR. TOZER'S

Experience is of forty years standing, and during that time has met with unparalleled success in the treatment of all those diseases generally known as

Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self Abuse. The brain being the seat of the disease the whole system suffers in consequence. I will here enumerate some of the symptoms, so that [illegible] afflicted may be able to form an opinion in regard to their complaints, and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, [illegible] the Heart, Trembling of the Limbs, [illegible] Aversion to Genial Society, especially [illegible] There are a great many more, but [illegible] and should you be suffering from any [illegible] DR.
